Lerach Coughlin Stoia Geller Rudman & Robbins LLP Files Class Action Suit Against Luminent Mortgage Capital, Inc.

Thursday August 9, 5:01 pm ET

SAN DIEGO--(BUSINESS WIRE)--Lerach Coughlin Stoia Geller Rudman & Robbins LLP ("Lerach Coughlin") (<http://www.lerachlaw.com/cases/luminent/>) today announced that a class action has been commenced in the United States District Court for the Northern District of California on behalf of purchasers of Luminent Mortgage Capital, Inc. ("Luminent") (NYSE:[LUM](#) - [News](#)) publicly traded securities during the period between October 10, 2006 and August 6, 2007 (the "Class Period").

If you wish to serve as lead plaintiff, you must move the Court no later than 60 days from August 8, 2007. If you wish to discuss this action or have any questions concerning this notice or your rights or interests, please contact plaintiff's counsel, Darren Robbins of Lerach Coughlin at 800/449-4900 or 619/231-1058, or via e-mail at wsl@lerachlaw.com. If you are a member of this class, you can view a copy of the complaint as filed or join this class action online at <http://www.lerachlaw.com/cases/luminent/>. Any member of the purported class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member.

The complaint charges Luminent and certain of its officers and directors with violations of the Securities Exchange Act of 1934. Luminent is a real estate investment trust ("REIT"). The Company invests primarily in the United States agency and other single-family, adjustable-rate, hybrid adjustable-rate and fixed-rate mortgage-backed securities, which it acquires in the secondary market.

The complaint alleges that during the Class Period, defendants issued materially false and misleading statements regarding the Company's business and financial results. As a result of defendants' false statements, Luminent stock traded at artificially inflated prices during the Class Period, which allowed the defendants to complete an offering of common stock in October 2006 at \$10.25 per share and a \$90 million private placement of 8.125% Convertible Senior Notes due 2027 on May 30, 2007. Then, on August 6, 2007, after the market closed, the Company issued a press release announcing that the secondary market for mortgage loans and mortgage-backed securities had seized up, and, as a result, Luminent was experiencing a significant increase in margin calls on its highest quality assets and a decrease on the financing advance rates provided by its lenders. On August 7, 2007, Luminent's stock collapsed \$3.30 per share to close at \$1.08 per share, a one-day decline of 75% on volume of 32.2 million shares, 25 times the average three-month volume.

According to the complaint, the true facts, which were known by the defendants but concealed from the investing public during the Class Period, were as follows: (a) the Company lacked requisite internal controls, and, as a result, the Company's projections and reported results issued during the Class Period were based upon defective assumptions and/or manipulated facts; (b) the Company's investments in mortgage loans were not all "high quality" as claimed by defendants, nor was its hedging disciplined and sophisticated as to credit risk; and (c) the Company was not on track to report the earnings forecast or to pay the dividends promised.

Plaintiff seeks to recover damages on behalf of all purchasers of Luminent publicly traded securities during the Class Period (the "Class"). The plaintiff is represented by Lerach Coughlin, which has expertise in prosecuting investor class actions and extensive experience in actions involving financial fraud.

Lerach Coughlin, a 180-lawyer firm with offices in San Diego, San Francisco, Los Angeles, New York, Boca Raton, Washington, D.C., Houston and Philadelphia, is active in major litigations pending in federal and state courts

throughout the United States and has taken a leading role in many important actions on behalf of defrauded investors, consumers, and companies, as well as victims of human rights violations. Lerach Coughlin lawyers have been responsible for more than \$45 billion in aggregate recoveries. The Lerach Coughlin Web site (<http://www.lerachlaw.com>) has more information about the firm.

FIRM PROFILE

Schiffirin Barroway Topaz & Kessler, LLP, located just outside of Philadelphia, Pennsylvania, specializes in representing shareholders and consumers in complex class action litigation in state and federal courts throughout the United States. Since our inception, SBTk has recovered billions of dollars on behalf of defrauded shareholders and aggrieved consumers. The firm is led by its senior partners, Richard S. Schiffirin, Andrew L. Barroway, Marc A. Topaz, and David Kessler, with assistance from partners Stuart L. Berman, Katharine M. Ryan, Gregory M. Castaldo, Michael K. Yarnoff, Joseph H. Meltzer, Darren J. Check, Tobias L. Millrood, Andrew L. Zivitz, Sean M. Handler, John A. Kehoe, Lee D. Rudy, Kay E. Sickles, Eric L. Zagar and numerous experienced associates and staff.

SBTK focuses on the prosecution of securities fraud actions and derivative and transactional litigation brought against public companies, their officers and directors, and their auditors and investment banking firms. In addition, SBTk represents employees in ERISA/401 K actions, as well as individuals and institutions in consumer litigation, product liability and antitrust actions.

Throughout our history, SBTk has represented various private institutional investors, including public and Taft-Hartley pension funds, hedge funds, mutual fund managers, investment advisors, and insurance companies, as well as thousands of individual investors in securities fraud class actions. Currently, SBTk is serving as Lead or Co-Lead Counsel in several high profile securities class actions against companies such as Tyco, Delphi Corp., Tenet Healthcare, Sprint Corp. and PNC Bank. In addition, SBTk has played a prominent role in the following precedent setting actions:

**In re Tenet Healthcare Corp. Securities Litigation,
No. CV-02-8462-RSWL (Rx) (C.D. Cal. 2002)**

SBTK serves as co-lead counsel on behalf of the State of New Jersey and its Division of

Investment against Tenet Healthcare Corp. and certain of its former officers and directors. Among other things, the Lead Plaintiff alleges that defendants made a series of materially false or misleading statements and omissions concerning Tenet's business model and financial health from January 11, 2000 through November 7, 2002. After defeating defendants' motions to dismiss and performing substantial document and deposition discovery, a partial settlement has been reached in the amount of \$216.5 million in cash which will be submitted for preliminary approval by the Court in the coming weeks. The Partial Settlement is being funded primarily by Tenet and its insurance carriers (\$215 million), with personal contributions in the aggregate amount of \$1.5 million being made by two of Tenet's former officers, Jeffrey Barbakow and Thomas Mackey. In addition to the substantial cash recovery, the prosecution of this action has played a prominent role in Tenet's initiation of sweeping corporate governance reforms which have led to Tenet being ranked by various institutional rating entities as among the best corporations in America for its corporate governance. The case will continue against KPMG as the Court denied KPMG's motion to dismiss the action in its entirety in December, 2005.

**In re AremisSoft Corp. Securities Litigation,
C.A. No. 01-CV-2486 (D.N.J. 2002):**

SBTK is particularly proud of the results achieved in this case before the Honorable Joel A. Pisano. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom remain fugitives. In settling the action, SBTK, as sole Lead Counsel, assisted in reorganizing the Company as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, approved by the court, enabled the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained SBTK to further assist with prosecuting the actions on behalf of the litigation trust. After filing an action in the Isle of Man, where the trust successfully froze more than \$200 million of stolen funds from one of the fugitives, the trust achieved a settlement of this action for \$200 million, which was returned to the United States and paid to the trust. Recently, the trust commenced another action in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer. Thus far, counsel on behalf of the trust and its beneficiaries have achieved settlements with the Company and certain of its directors and officers as well as the Company's auditors, lawyer and underwriters for a total of more than \$250 million. The beneficiaries of the trust have already received in excess of 28% of their recognized losses.

**In re Initial Public Offering Securities Litigation,
Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):**

SBTK is one of only six law firms comprising Plaintiffs' Counsel's Executive Committee, and was selected from over sixty law firms which had brought such actions. This litigation challenges the legality of the IPO allocations practices of virtually all of the major investment banking firms from 1998 through 2000, and encompasses over 300 coordinated actions.

In re AremisSoft Corp. Securities Litigation, C.A. No. 01-CV-2486 (D.N.J. 2002):

Henry v. Sears, et al., Case No. 98 C 4110 (N.D. Ill. 1999):

Schiffirin Barroway Topaz & Kessler served as Lead Counsel on behalf of the largest class of credit card holders in history. At stake was the right of Sears and its newly formed affiliate, Sears National Bank ("SNB"), to retroactively increase the interest rates on eleven million credit card accounts with outstanding balances resulting from purchases made prior to the accounts being transferred to SNB. Schiffirin Barroway Topaz & Kessler alleged that such conduct violated the Truth-in-Lending Act, the National Banking Act and state consumer fraud statutes. After extensively litigating various aspects of liability, an additional nine months were then spent determining damages. The extraordinary complexity of the damage calculations required Mr. Schiffirin and experts from both parties to develop, test and utilize a novel computer model to ascertain total damages for the class and individualized damages for each class member. Ultimately, Mr. Schiffirin and his partner, Mr. Kessler, were able to negotiate a \$156 million settlement, which represented approximately 66% of total damages. In approving the settlement, District Court Judge Leinenwebber of the Northern District of Illinois stated:

... I am pleased to approve the settlement. I think it does the best that could be done under the circumstances on behalf of the class. ... The litigation was complex in both liability and damages and required both professional skill and standing which class counsel demonstrated in abundance.

The entire settlement fund of \$156 million was distributed without the filing of a single proof of claim form by any class member.

*Wanstrath v. Doctor R. Crants, et al., C.A. No. 99-1719-III
(Tenn. Chan. Ct., 20th Judicial District, 1999):*

Schiffirin Barroway Topaz & Kessler served as Lead Counsel in a derivative action filed against the officers and directors of Prison Realty Trust, Inc., challenging the transfer of assets from the Company to a private entity owned by several of the Company's top insiders. Numerous federal securities class actions were pending against the Company at this time. Through the derivative litigation, the Company's top management was ousted, the composition of the Board of Directors was significantly improved and important corporate governance provisions were put in place to prevent future abuse. Mr. Schiffirin, in addition to achieving these desirable results, was able to personally effectuate a global settlement of all pending litigation against the backdrop of an almost certain bankruptcy. The case was resolved in conjunction with the federal securities cases for the payment of approximately \$50 million by the Company's insurers and the issuance of over 46 million shares to the class members.

*Jordan v. State Farm Insurance Company, Case No. 97 CH 11
(Cir. Ct., McLean County, Ill. 1998):*

Schiffirin Barroway Topaz & Kessler brought a claim on behalf of multiple plaintiffs alleging that State Farm had engaged in fraudulent sales practices by "churning" policies and marketing and selling "vanishing premium" policies that never "vanished." After several years of discovery, motion practice and settlement negotiations, Mr. Schiffirin played a critical role in

resolving the action for \$225 million in cash, dividend enhancements and other monetary benefits for current and former State Farm policyholders. Schiffrin Barroway Topaz & Kessler also has achieved substantial settlements in 20 additional cases alleging fraudulent sales practices by various insurance companies.

Mr. Schiffrin has also represented defrauded shareholders and companies in complex class and derivative actions, including the following:

Huscher v. Curley, et al., No. 00 Civ. 21379 (Mich. Cir. Ct., 2000) (In re Sotheby's Holdings, Inc. Derivative Litigation):

Schiffrin Barroway Topaz & Kessler served as Lead Counsel in a derivative action arising out of Sotheby's alleged antitrust price fixing conspiracy with auction house rival Christie's International PLC. A multi-million dollar settlement was negotiated by Mr. Schiffrin whereby Diana Brooks (Sotheby's President at the time of the alleged wrongdoing) agreed to relinquish all of her Sotheby's stock options, and the Company's insurance carrier made a substantial monetary payment to the Company. In addition, significant changes in the Company's top management and Board of Directors were achieved in conjunction with the settlement of the litigation.

ANDREW L. BARROWAY, managing partner of the firm, received his law degree from the University of Pennsylvania Law School, where he was a member of the ABA Negotiation team. He is licensed to practice law in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania. Mr. Barroway frequently lectures on securities class action and lead plaintiff issues, and recently spoke at the 2005 Institutional Investor Hedge Fund Workshop in New York City and the Public Funds Summit 2005 in Phoenix, Arizona. Mr. Barroway has been actively involved in all aspects of litigation on behalf of the firm, and co-manages the firm's securities department. Of his numerous successful representations of shareholders, the following stand out as exceptional:

In re The Interpublic Group of Companies Securities Litigation, No. 02 Civ. 6527 (S.D.N.Y. 2002):

Schiffrin Barroway Topaz & Kessler served as sole Lead Counsel in this action on behalf of an institutional investor and recently received final approval of a settlement consisting of \$20 million in cash and 6,551,725 shares of IPG common stock. As of February 2005, the stock had an approximate value of \$87 million, resulting in a total settlement value of approximately \$107 million. In granting its approval, the Court praised Schiffrin Barroway Topaz & Kessler for acting responsibly and noted the firm's professionalism, competence and contribution to achieving such a favorable result.

In re Digital Lightwave, Inc. Securities Litigation, Consolidated Case No. 98-152-CIV-T-24E (M.D. Fla. 1999):

The firm served as Co-Lead Counsel in one of the nation's most successful securities class actions. After extensive litigation and negotiations, a settlement consisting primarily of stock

ultimately grew to a value of over \$170 million between the time in which the settlement was negotiated and the time at which it was distributed. Schiffrin Barroway Topaz & Kessler took on the primary role in negotiating the terms of the equity component, insisting that the class have the right to share in any upward appreciation in the value of the stock after the settlement was reached. This recovery represented an astounding approximately two hundred percent (200%) of class members' losses. Schiffrin Barroway Topaz & Kessler believes that this represents the largest percentage recovery for shareholders in securities class action history.

Mr. Barroway, along with his partner, Mr. Kessler, has also negotiated substantial settlements of securities class actions in which Schiffrin Barroway Topaz & Kessler was Lead or Co-Lead Counsel against Pinnacle Holdings, Cell Pathways, Gateway, Mercator and NetSolve. Mr. Barroway currently represents numerous public pension funds, private investment funds, money management firms, and individuals in securities fraud litigation as Lead or Co-Lead Counsel.

MARC A. TOPAZ, a senior partner of the firm, received his law degree from Temple University School of Law, where he was an editor of the Temple Law Review and a member of the Moot Court Honor Society. He also received his Master of Law (L.L.M.) in taxation from the New York University School of Law, where he served as an editor of the New York University Tax Law Review. He is licensed to practice law in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania. Mr. Topaz manages the firm's derivative, transactional and antitrust departments. In this regard, Mr. Topaz has been actively involved in litigating the following prominent cases:

In re MTC Electronic Shareholder Litigation, No. CV-93-0876 (E.D.N.Y. 1993):

Schiffrin Barroway Topaz & Kessler served as Co-Counsel in a case involving securities fraud by MTC, its officers and directors, underwriters and accountants. The case presented novel issues of Chinese law, and required the construction of a database of hundreds of thousands of documents utilized in numerous party and non-party depositions. A \$72 million settlement was achieved on the eve of trial.

In re Oppenheimer Capital, L.P., Unitholders Litigation, Consolidated No. 16022NC (Del. Ch. 1997):

Schiffrin Barroway Topaz & Kessler served as Co-Lead Counsel on behalf of plaintiffs alleging that a merger proposed by Pimco Advisors benefitted certain Pimco insiders by disproportionately allocating tax benefits achieved from the restructuring of a limited partnership, and failing to provide adequate compensation to the Oppenheimer shareholders. Plaintiffs moved to enjoin the transaction and a settlement was reached whereby defendants agreed to pay a special dividend to Oppenheimer limited partners of approximately \$16 million.

Wanstrath v. Doctor R. Crants, et al., C.A. No. 99-1719-III (Tenn. Chan. Ct., 20th Judicial District, 1999):

(See description under Richard S. Schiffrin)

DAVID KESSLER, a senior partner of the firm, graduated with distinction from the Emory School of Law. He is licensed to practice in Pennsylvania and New Jersey, and has been admitted to practice before the United States District Court for the Eastern District of Pennsylvania and the United States District Court for the District of New Jersey. Prior to practicing law, Mr. Kessler was a Certified Public Accountant in Pennsylvania. Mr. Kessler co-manages the firm's nationally recognized securities department and assists in the management of the mass tort department. In addition, Mr. Kessler often lectures on securities litigation and was a featured speaker on hot topics in securities litigation in a seminar entitled "The Explosion and Evolution of Class Action Law" in December 2004 in Philadelphia, Pennsylvania, and the Corporate Governance Summit on Corporate Accountability in July 2003 in New York City. Mr. Kessler has achieved the following outstanding results in federal securities cases:

In re Initial Public Offering Securities Litigation,
Master File No. 21 MC 92 (SAS) (S.D.N.Y. Dec. 12, 2002):

Mr. Kessler, along with Mr. Schiffrin, is presently heading up the firm's litigation efforts in its prominent position as an Executive Committee member in this action. Of the sixty plaintiffs firms which originally filed actions in these coordinated proceedings, Schiffrin Barroway Topaz & Kessler was one of only six selected to serve on the Executive Committee. The coordinated actions, which have been filed against 309 separate issuers of publicly traded securities, challenge the legality of the practices which company the allocations of shares in initial public offerings. In addition to suing the issuers of such securities, the 309 coordinated actions also name as defendants the primary investment banking firms which underwrote the offerings. This case, which has received a great deal of national and international media attention, is widely considered the largest securities class action litigation in history. At the present time, the court has preliminarily approved a \$1 billion settlement with the issuers and their officers and directors. The case is proceeding against the underwriting defendants.

them on fulfilling their fiduciary obligations and exercising their rights in all types of securities related actions.

Mr. Berman has specialized in the area of securities litigation for the past nine years. He is particularly proud of the results achieved in *In re AremisSoft Corp. Sec. Litig., C.A. No. 01-CV-2486 (D.N.J. 2002)*, a case on which Mr. Berman and his partner, Richard Schiffrin, have worked extensively. This case was exceedingly complicated, as it involved the embezzlement of hundreds of millions of dollars by former officers of the Company, some of whom are now fugitives. In settling the action, Schiffrin Barroway Topaz & Kessler, as sole Lead Counsel, assisted in reorganizing AremisSoft as a new Company which allowed for it to continue operations, while successfully separating out the securities fraud claims and the bankrupt Company's claims into a litigation trust. The Settlement, which was approved by the Court, called for the class to receive the majority of the equity in the new Company, as well as their pro rata share of all amounts recovered by the litigation trust. The Court-appointed co-trustees, Joseph P. LaSala, Esq. and Fred S. Zeidman, retained Schiffrin Barroway Topaz & Kessler to continue prosecuting the actions on behalf of the litigation trust. After extensive litigation in the Isle of Man, including the successful freezing of more than \$200 million of stolen funds, the trust recently settled its action against one of the principal wrongdoers and recovered approximately \$200 million. Thus far, the trust has distributed to beneficiaries of the trust more than 28% of their recognized losses (excluding the value of the equity of the new Company), and is poised to recover even more. Recently, the trust commenced further litigation in Cyprus, where it obtained a Mareva injunction and interim ancillary relief against bank accounts and assets owned and/or controlled by the other principal wrongdoer.

After more than three years of contentious litigation and a series of protracted mediation sessions, Schiffrin Barroway Topaz & Kessler, LLP, serving as co-lead counsel, secured a \$110 million recovery for class members in the CVS Securities Litigation. Specifically, the suit alleged that CVS violated accounting practices by delaying discounts on merchandise in an effort to prop up its earnings. In addition, the suit charged that in 2001, the Company and its Chief Executive Officer, Thomas M. Ryan, improperly delayed announcement of its intention to close approximately 200 underperforming stores, and that an industry-wide pharmacist shortage would have a materially negative impact on the Company's performance. Settlement was reached just days prior to the commencement of trial, and shortly after the district court had denied the defendants' motions for summary judgment. This substantial recovery, which represents the third-largest settlement in a securities class action case in the First Circuit, received final approval from District Judge Joseph Tauro on September 27, 2004.

In re InfoSpace, Inc. Securities Litigation, Master File No. C-01-0913-Z (D. Wash. 2001):

After two years of hard-fought litigation and complex mediation, a settlement of \$34.3 million was obtained for members of the class.

In re Riverstone Networks, Inc. Securities Litigation, Case No. CV-02-3581 (N.D. Cal. 2002):

In that regard, plaintiffs alleged that defendants issued a series of false and misleading statements concerning the Company's financial condition, sales and prospects, and used inside information to personally profit. After extensive litigation, the parties entered into formal mediation with the Honorable Charles Legge (Ret.). Following five-months of mediation, the parties reached a settlement of \$18.5 million.
